WE'RE PROUD OF OUR TEAM AND "DAD" CONDON

To brag little, to lose well,
To crow gently if in luck,
To pay up, to own up,
To shut up if beaten,
Are the virtues of a sporting man.

Few of us are faster than a speeding bullet,
more powerful than a locomotive, or able to
leap tall hurdles at a single bound; we are not
superman, but sportsmen. We play to win, but
even more, just because we love to.

Sports are a unifying factor in any high school. S.C.H.S. has acquired fame, honor, and respect through the efforts of their football team under the outstanding leadership and dedication of Coach "Dad" Condon.

With pride and affection we dedicate the 1970 Harvester to OUR TEAM and COACH.

WE ARE ALL

AGGIES . . .

FIGHTING TOGETHER

FOREWORD

The 1970 Harvester staff has looked through Sand Creek's windows. This is what we've seen.

We've seen teachers who felt it was important to know about the past, the present, and the future because they believe it to be so.

We've seen young, eager faces trying to find out what education is all about and what they want to do with their lives.

We've seen girls forgetting everything but their date for the Prom and we've seen boys acting their best in their formal coats.

We've seen football and basketball games, where sometimes we came home happy and sometimes sad.

We've seen our organizations where students thought it was worth while to devote time to a common goal.

We've liked what we've seen, so we, the Harvester Staff, invite you to look through Sand Creek's windows, too.

We think you'll like what you see.

CHEERLEADERS

The group responsible for the direction of athletic event support was the SCHS Cheerleaders. Boosting morale and providing sympathy, the cheerleaders were a welcome sight to spectators and team alike. These six girls led the Fighting Aggies to victory and aided the student body in their enthusiastic display of school spirit. At pep rallies they radiated pep and spirit; at the bonfire they gave wholly of their vim, vigor and vitality; at the games they were there as the team entered. This year's cheerleaders, through their untiring effort and devotion, have proved themselves a valuable asset to both the team and the school.

The alternates were Shirley Johnston and Irma Lopez.

The newspaper staff plays an important role in any high school, and Sand Creek is no exception. It is through this media that the student body finds means for self expression and a way to channel creativity and individuality.

Marj Tursak and Becky Bachman, editor and assistant for the 1969-1970 school year, chose their staff members from journalism class. Choices were based on interest and writing ability. Soon all became routine, assignments made, deadlines set and met - hopefully on time.

Behind every successful yearbook is a patient, good-natured, hard-working photographer. For the students at S.C.H.S. these characteristics can bring but one person to mind - Mr. Carl Habrick of Brockley Studios. Our cameraman is indeed an indispensable asset to our 1970 Harvester. In view of this, we, the Seniors of Sand Creek High take pride in saying, "Thanks a million Carl for a job well done!"

... A step forward in a brighter, new tomorrow.
